5 NEW SECTION. **Section 3. Ownership of electronic data.** (1) Electronic data created by or on
6 behalf of an individual who is a resident of the state is the property of that individual.

7 (2) A person possessing electronic data owned by an individual holds the property in trust for the
8 individual.

9

10 NEW SECTION. **Section 4. Death of owner of electronic data.** (1) Electronic data ownership is
11 nondescendible in intestate succession.

12 (2) A person possessing electronic data owned by a deceased individual shall permanently delete
13 the electronic data within a reasonable time after the final distribution of assets through testate or intestate
14 succession, unless the deceased individual elected during the individual's lifetime for another person or
15 individual to retain access to and take ownership of the electronic data. Such an election may not be made in a
16 contract of adhesion.

17

18 NEW SECTION. **Section 5. Prohibited terms in contracts of adhesion.** (1) A contract of adhesion
19 may not require a resident of the state to forfeit, donate, or accept nominal consideration for electronic data.

20 (2) A contract of adhesion may not condition the use of a product or service on the forfeiture,
21 donation, or acceptance of nominal consideration for electronic data.

22

23 NEW SECTION. **Section 6. Consideration for sale of electronic data.** A seller of electronic data
24 shall provide to the owner of the electronic data:

25 (1) actual consideration that is reasonably related to the value of the electronic data; and

27

28 NEW SECTION. **Section 7. Sale of electronic data to federal government prohibited.** A person

1 possessing electronic data created by or on behalf of an individual who is a resident of the state may not sell
2 that electronic data to a third party, including the federal government, without the express consent of the
3 individual.

4
5 **NEW SECTION. Section 8. Providing electronic data to federal government prohibited --**
6 **exception for subpoena.** Except in response to a subpoena or search warrant issued by a duly authorized
7 court or to comply with federal law, a person possessing electronic data created by or on behalf of a resident of
8 the state may not provide that data to the federal government.

9
10 **NEW SECTION. Section 9. Notice.** (1) A person providing electronic data to the federal government
11 shall give notice to the individual whose electronic data is provided.

12 (2) Notice must be given prior to or at the same time as the provision of the data to the federal
13 government, except that the notice may be delayed for a period of not more than 1 year if a warrant or an
14 investigative subpoena includes a court order not to notify any other person of the existence of the warrant or
15 the investigative subpoena. The order may be granted if the court determines that there is reason to believe
16 that notification of the existence of the warrant or the investigative subpoena may result in:

- 17 (a) endangering the life or physical safety of an individual;
18 (b) flight from prosecution;
19 (c) destruction or tampering with evidence;
20 (d) intimidation of potential witnesses; or
21 (e) otherwise seriously jeopardizing an investigation or unduly delaying a trial.

22
