(6) "State" means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.

Section 3. Applicability. [Sections 1 through 11] applies to all legal material in an electronic record that is designated as official under [section 4] and first published electronically on or after [the effective date of this act].

Section 4. Legal material in official electronic record. (1) If an official publisher publishes legal material only in an electronic record, the publisher shall:

- (a) designate the electronic record as official; and
- (b) comply with [sections 5, 7, and 8].

(2) An official publisher that publishes legal material in an electronic record and also publishes the material in a record other than an electronic record may designate the electronic record as official if the publisher complies with [sections 5, 7, and 8].

Section 5. Authentication of official electronic record. An official publisher of legal material in an electronic record that is designated as official under [section 4] shall authenticate the record. To authenticate an electronic record, the publisher shall provide a method for a user to determine that the record received by the user from the publisher is unaltered from the official record published by the publisher.

Section 6. Effect of authentication. (1) Legal material in an electronic record that is authenticated under [section 5] is presumed to be an accurate copy of the legal material.

(2) If another state has adopted a law substantially similar to [sections 1 through 11], legal material in an electronic record that is designated as official and authenticated by the official publisher in that state is presumed to be an accurate copy of the legal material.

(3) A party contesting the authentication of legal material in an electronic record authenticated under [section 5] has the burden of proving by a preponderance of the evidence that the record is not authentic.

Section 7. Preservation and security of legal material in official electronic record. (1) An official publisher of legal material in an electronic record that is or was designated as official under [section 4] shall provide for the preservation and security of the record in an electronic form or a form that is not electronic.

(2) If legal material is preserved under subsection (1) in an electronic record, the official publisher shall:

- (a) ensure the integrity of the record;
- (b) provide for backup and disaster recovery of the record; and
- (c) ensure the continuing usability of the material.

Section 8. Public access to legal material in official electronic record. An official publisher of legal material in an electronic record that is required to be preserved under [section 7] shall ensure that the material is reasonably available for use by the public on a permanent basis.

Section 9. Standards. In implementing [sections 1 through 11], an official publisher of legal material in an electronic record shall consider:

- (1) standards and practices of other jurisdictions;
- (2) the most recent standards regarding authentication of, preservation and security of, and public access to legal material in an electronic record and other electronic records, as promulgated by national standard-setting bodies;

(3) the needs of users of legal material in an electronic record;

(4) the views of governmental officials and entities and other interested persons; and

(5) to the extent practicable, methods and technologies for the authentication of, preservation and security of, and public access to legal material that are compatible with the methods and technologies used by other official publishers in this state and in other states that have adopted a law substantially similar to [sections 1 through 11].

Section 10. Uniformity of application and construction. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Section 11. Relation to Electronic Signatures in Global and National Commerce Act. [Sections 1 through 11] modifies, limits, and supersedes the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. Section 7001 et seq., but does not modify, limit, or supersede Section 101(c) of that act, 15 U.S.C. Section 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. Section 7003(b).

Section 12. Section 1-11-103, MCA, is amended to read:

"1-11-103. Effect of Montana Code Annotated -- official version. (1) The Montana Code Annotated is a reenactment of the Revised Codes of Montana, 1947, and the supplements thereto.

(2) The enactment of the Montana Code Annotated may not:

(a) revive a law repealed or superseded before the effective date of the Montana Code Annotated;

(b) affect an act done, right accrued, or obligation incurred or imposed by law prior to the effective date of the Montana Code Annotated;

(c) affect any action, suit, or proceeding pending on the effective date of the Montana Code Annotated;

(d) repeal statutes of a nongeneral, nonpermanent nature, such as severability, construction, validating, repealing, or similar statutes, omitted from the Montana Code Annotated.

(3) The Montana Code Annotated must be given effect as a continuation of the Revised Codes of Montana and not as a new enactment. A defect in title of any act set out in prior laws and reenacted by the Montana Code Annotated is cured by the enactment of the Montana Code Annotated.

(4) No implication or presumption of legislative construction is to be drawn from the classification or arrangement of the Montana Code Annotated.

(5) Unless specifically and expressly adopted as part of the law by the legislature, annotations, code commissioner notes, catchlines, or other editorial material included in the Montana Code Annotated may not be construed as part of the legislative text but are only for the purpose of convenience, orderly arrangement, and information.

(6) After enactment, the Montana Code Annotated, including all subsequent replacement volumes, is prima facie the official laws of Montana. In case of any inconsistency in meaning arising through omission or otherwise between the provisions of the Montana Code Annotated and the corresponding portion of the official enrolled bill on file with the secretary of state, effect must be given to the official enrolled bill.

(7) The Montana Code Annotated, prepared in accordance with part 3, or [sections 1 through 11], is the official version of the statutes of Montana. The official version of the statutes is the only publication of the statutes that may be used in public documents. This subsection is not intended to interfere with the supreme court's authority to adopt rules of evidence pursuant to Article VII, section 2, of the Montana constitution."

Section 13. Codification instruction. [Sections 1 through 11] are intended to be codified as an integral part of Title 1, and the provisions of Title 1 apply to [sections 1 through 11].
