

AN ACT ESTABLISHING CRIMINAL JUSTICE DATA WAREHOUSE PROJECT PRIORITIES FOR THE 2025-2026 INTERIM; PROVIDING DEFINITIONS; PROVIDING APPROPRIATIONS; AMENDING SECTION 44-7-126, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.”

WHEREAS, there is a criminal justice data warehouse housed in the Board of Crime Control; and

WHEREAS, the Board of Crime Control shall consult with the Criminal Justice Oversight Council to establish and maintain the criminal justice data warehouse; and

WHEREAS, the Criminal Justice Oversight Council provides direction and recommendations to the Board of Crime Control on data collection project priorities for the criminal justice data warehouse.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Projects for 2025-2026 interim. (1) In preparation for the 2027 legislative session, the board shall prioritize the following projects:

(a) create a unique identifier to link data from separate state and local criminal justice agencies and the judicial branch in a manner that is efficient and protects the confidentiality requirements for any personally identifiable information;

(b) consult with the council to determine research priorities to answer questions about the criminal justice system, prioritize data collection, and develop data warehouse governance policies;

(c) consult with the council to identify and expand on the data elements that the board shall collect to achieve the purposes of 44-7-126;

(d) acquire a software application to assist with mastering records received in the criminal justice data warehouse from disparate data systems across the state criminal justice system;

(e) acquire a software application to assist in the cataloging of data fields and components in

records received in the criminal justice data warehouse from disparate data systems across the state criminal justice system;

(f) identify willing local stakeholders to expand beyond the pilot project to deposit existing local criminal justice data in the criminal justice data warehouse, identify technology needs, and document data processes;

(g) maintain a list of the current vendors used by state and local criminal justice agencies and the judicial branch;

(h) identify and apply for federal funds that will help the board and the council sustain work on the criminal justice data warehouse;

(i) document data processes that are used to deposit data in the criminal justice data warehouse;

(j) identify methods to share any state savings that may result from improved data collection and integration with local governments; and

(k) identify information from other state agencies, including the department of public health and human services, or from tribal governments or the federal government that may be included in the criminal justice data warehouse or that may be necessary to answer criminal justice research questions posted by the council.

(2) The board shall:

(a) report to the council and the law and justice interim committee each regularly scheduled meeting between [the effective date of this act] and September 15, 2026, and to other legislative interim committees or administrative committees as requested; and

(b) by September 15, 2026, submit to the council, the law and justice interim committee, the legislative finance committee, and the governor's office of budget and program planning a report that includes:

(i) a summary of the work of the board since its last report to the council, the law and justice interim committee, the legislative finance committee, and the governor's office of budget and program planning to create the criminal justice data warehouse;

(ii) recommendations for specific next steps to further implement the criminal justice data warehouse and the associated costs and technology needs to accomplish those steps;

(iii) a summary of data sharing or integration projects the board has completed; and

- (iv) a list of policy and funding priorities identified for the 2027 legislative session.
- (3) As used in this section, unless the context clearly indicates otherwise, the following definitions apply:

- (a) "Board" means the board of crime control established in 2-15-2008.
- (b) "Council" means the criminal justice oversight council established in 53-1-216.

SECTION 2. Section 44-7-126, MCA, is amended to read:

"44-7-126. Criminal justice data warehouse -- purpose. (1) (a) There is a criminal justice data warehouse housed in the board of crime control. The purpose of the criminal justice data warehouse is to receive, store, secure, and maintain data and information from contributing entities to facilitate analysis to assist state and local officials to make data-informed decisions about the criminal justice system.

(b) To fulfill this purpose, the legislature intends that the criminal justice data warehouse provide a complete and integrated criminal justice database that includes information that will allow, among other topics, the analysis of:

(i) the complete criminal history of all convictions and offenses committed by each offender convicted in district court in the state;

(ii) the date and term of each sentence and whether an offender was in custody or on probation at the time of the offense;

(iii) the length of time between a prior conviction and a successive crime for which an offender is convicted and sentenced;

(iv) the length of time between release from custody, probation, or parole to an arrest for a new offense;

(v) programming an offender received while in custody of the department of corrections and which entity provided the programming;

(vi) for offenders who committed offenses that involved a dangerous drug as defined in 50-32-101, which dangerous drug was involved in the offense; and

(vii) whether an offender convicted of a crime in district court was on pretrial release at the time of the successive offense.

(2) (a) An agency and the court administrator shall contribute data and information to the criminal justice data warehouse on request by the board. A local government entity, a nongovernment entity, a tribal government, or a federal government entity may submit data and information to the criminal justice data warehouse.

(b) A contributing entity retains ownership of the data it contributes to the criminal justice data warehouse.

(3) As the administering agency of the criminal justice data warehouse, the board shall:

(a) adopt a memorandum of understanding with the department of administration for the provision of any technical assistance or services required to establish and maintain the criminal justice data warehouse;

(b) work in conjunction with the department of administration to assure the confidentiality of all records and data collected in the criminal justice data warehouse and to assure compliance with the applicable state and federal laws governing the privacy of records, data, and personally identifiable information;

(c) consult and collaborate with the council to prioritize data to request from contributing entities, data requests, and research using data from the criminal justice data warehouse;

(d) (i) identify and seek federal grant money that may be used for the purposes of establishing and maintaining the criminal justice data warehouse and achieving priorities established in law;

(ii) prioritize distribution of funds received pursuant to subsection (3)(d)(i) to contributing entities;

(e) adopt a memorandum of understanding with each contributing entity. The memorandum of understanding must describe the data and information being submitted and the schedule on which the data will be submitted and identify the confidentiality of the information and any conditions or restrictions on the use of the data or information; and

(f) grant the legislative fiscal analyst and the legislative services division director direct access to the criminal justice data warehouse in a manner that complies with the regulations of the respective federal programs.

(4) The board may:

(a) require an entity that contributes data or information to deliver the data or information in a certain format and on schedules established for the criminal justice data warehouse;

(b) collaborate with the council and contributing entities to establish policies to address the

creation of reports generated through the query of records and data in the criminal justice data warehouse. A nongovernment entity may only collaborate with respect to the data or information contributed by that nongovernment entity; and

(c) adopt a standard memorandum of understanding that state and local criminal justice entities and the courts may use to govern data-sharing agreements."

Section 3. Appropriations. (1) There is appropriated \$480,000 from the general fund to the—board of crime control division of the department of justice for the biennium beginning July 1, 2025, for the purposes of paying for the acquirement of software applications outlined in [section 1]. Any unspent funds must be used for work on the criminal justice data warehouse.

(2) (a) There is appropriated \$504,243 from the general fund to the—board of crime control division of the department of justice for the biennium beginning July 1, 2025.

(b) The appropriation in subsection (2)(a) is intended to supplement base funding to the board of crime control for the implementation of the criminal justice data warehouse to fund the positions of one full-time equivalent position of a project manager and one full-time equivalent position of a business or data analyst.

(c) The legislature intends that the appropriation in subsection (2)(a) be considered part of the ongoing base for the next legislative session.

(3) (a) There is appropriated \$500,000 from the general fund to the—board of crime control division of the department of justice for the biennium beginning July 1, 2025, for the purposes of providing a grant to the judiciary for—contributing data and information to the criminal justice data warehouse as provided in 44-7-126. Any unspent grant funds must be returned by the judiciary to the board of crime control for work on the criminal justice data warehouse prior to the end of the biennium.

(b) The legislature intends that this is a one-time-only appropriation.

Section 4. Effective date. [This act] is effective on passage and approval.
