12 programs. This subsection does not affect the department's authority to operate and maintain prerelease or  
13 treatment centers.

14 (ii) residential methamphetamine treatment programs for the purpose of alternative sentencing as  
15 provided for in 46-18-201 or 46-18-202 and any other sections relating to alternative sentences for persons

26 options and resource materials related to housing for individuals who are released from the Montana state  
27 prison or community corrections programs;

28 (h) maintain data on the number of individuals who are discharged from the adult correction

13 (ii) coordinate and apply the principles of modern correctional administration to the facilities and  
14 programs administered by the department; and

15 (o) develop a policy and procedure for each correctional facility it operates and ensure that any  
16 correctional facility under contract with the state follows the department's policy on providing at no cost to an  
17 offender under the department's supervision the following hygiene and stationery products on request:

18 (i) soap;

19 (ii) toilet paper;

20 (iii) toothbrush;

23 (vi) feminine hygiene products;

24 (vii) letter envelopes;

25 (viii) writing paper; and

26 (ix) postage stamps.

27 (2) The department may contract with private, nonprofit or for-profit Montana corporations to  
28 establish and maintain a residential sexual offender treatment program. If the department intends to contract for

1 that purpose, the department shall adopt rules for the establishment and maintenance of that program.

2 (3) The department and a private, nonprofit or for-profit Montana corporation may not enter into a  
3 contract under subsection (1)(c) or (2) for a period that exceeds 20 years. The provisions of 18-4-313 that limit  
4 the term of a contract do not apply to a contract authorized by subsection (1)(c) or (2). Prior to entering into a  
5 contract for a period of 20 years, the department shall submit the proposed contract to the legislative audit  
6 committee. The legislative audit division shall review the contract and make recommendations or comments to

12 (5) The department may contract with Montana corporations to operate a day reporting program as  
13 an alternate sentencing option as provided in 46-18-201 and 46-18-225 and as a sanction option under 46-23-  
14 1015. The department shall adopt by rule the requirements for a day reporting program, including but not  
15 limited to requirements for daily check-in, participation in programs to develop life skills, and the monitoring of  
16 compliance with any conditions of probation, such as drug testing.

17 (6) Rules adopted by the department pursuant to subsection (1)(a) may not amend or alter the  
18 statutory powers and duties of the state board of pardons and parole. The rules for the siting, establishment,  
19 and expansion of prerelease centers must state that the siting is subject to any existing conditions, covenants,  
20 restrictions of record, and zoning regulations. The rules must provide that a prerelease center may not be sited  
21 at any location without community support. The prerelease siting, establishment, and expansion must be  
22 subject to, and the rules must include, a reasonable mechanism for a determination of community support for or  
23 objection to the siting of a prerelease center in the area determined to be impacted. The prerelease siting,  
24 establishment, and expansion rules must provide for a public hearing conducted pursuant to Title 2, chapter 3.

25 (7) The department shall ensure that risk and needs assessments drive the department's  
26 supervision and correctional practices, including integrating assessment results into supervision contact  
27 standards and case management. The department shall regularly validate its risk assessment tool."
