Description of fiscal impact

SB 368 revises mine inspection requirements and does not have a fiscal impact on the Department of Environmental Quality.

FISCAL ANALYSIS

Assumptions

Department of Environmental Quality

1. SB 368 does not have a fiscal impact on DEQ Air Energy and Mining Division's Mining Bureau because it does not create any new regulatory work. SB 368 prescribes a slightly adjusted way for the bureau to conduct a portion of its inspection and follow-up work, but it would not require more time.
