(ii) any used motor vehicle, used power sports vehicle, or used trailer.

(c) A used dealer license authorizes the holder to sell any used motor vehicle, used power sports vehicle, or used trailer.

(d) A broker's license authorizes the holder to negotiate the purchase, sale, or exchange of a motor vehicle, power sports vehicle, or trailer from a dealer or another person upon behalf of a client when the broker does not store, display, or take ownership of the motor vehicle, power sports vehicle, or trailer being purchased, sold, or exchanged.

(e) Except as provided in 61-4-120, an auto auction license authorizes the holder to take possession of a used vehicle owned by another person through consignment, bailment, or any other arrangement and to sell to the highest bidder when all bidders are licensed vehicle dealers, wholesalers, or wrecking facilities.

An applicant may use more than one location to display vehicles for sale if the maximum distance between each display lot does not exceed 200 feet and if the distance between a display lot and the building in which vehicle sales records are stored does not exceed 1,000 feet.

(iii) verification that the applicant otherwise meets the requirements of part 2 of this chapter.

(7) If an applicant wants to maintain more than one established place of business, the applicant shall file a separate license application for each proposed place of business and otherwise qualify for licensure at each place separately.
