(5) (a) The contractor survey must include information pertaining to the number of skilled workers employed in the contractor's peak month of employment and the wages and fringe benefits paid for each craft, classification, or type of work.

(b) (i) In setting the prevailing wages from the survey for each craft, classification, or type of work, the department shall use a weighted average wage for each craft, classification, or type of work, except in those cases in which the survey shows that at least 50% of the skilled workers are receiving the same wage.

(b) The commissioner shall use an alternate methodology provided by rule to determine the standard prevailing rate of wages whenever insufficient data exists.

(c) The alternative method of determining the prevailing rate of wages must provide for review and the incorporation of data from work of a similar character, which must be based on a survey that is conducted as closely as possible to the original district.

(8) Whenever work of a similar character is not being performed in the district, the standard prevailing rate of wages, including fringe benefits and the rate of travel allowance, must be those rates established by collective bargaining agreements in effect in the applicable district for each craft, classification, or type of skilled worker needed to complete the contract."

(3) (a) (i) A person who regularly and customarily performs services at locations other than the person's own fixed business location shall elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3 unless the person has waived the rights and benefits of the Workers' Compensation Act by obtaining an independent contractor exemption certificate from the department pursuant to 39-71-417.

(ii) Application fees or renewal fees for independent contractor exemption certificates must be deposited in the state special revenue account established in ~~39-9-206~~ 39-71-417 and must be used to offset the certification administration costs.

(b) A person who holds an independent contractor exemption certificate may purchase a workers' compensation insurance policy and with the insurer's permission elect coverage for the certificate holder.

(c) For the purposes of this subsection (3), "person" means:

- (i) a sole proprietor;
- (ii) a working member of a partnership;
- (iii) a working member of a limited liability partnership;
- (iv) a working member of a member-managed limited liability company; or
- (v) a manager of a manager-managed limited liability company that is engaged in the work of the construction industry as defined in 39-71-116.

(4) (a) A corporation or a manager-managed limited liability company shall provide coverage for its employees under the provisions of compensation plan No. 1, 2, or 3. A quasi-public corporation, a private corporation, or a manager-managed limited liability company may elect coverage for its corporate officers or managers, who are otherwise exempt under subsection (2), by giving a written notice in the following manner:

(i) if the employer has elected to be bound by the provisions of compensation plan No. 1, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company; or

(ii) if the employer has elected to be bound by the provisions of compensation plan No. 2 or 3, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company and to the insurer.

(b) If the employer changes plans or insurers, the employer's previous election is not effective and the employer shall again serve notice to its insurer and to its board of directors or the management organization of the manager-managed limited liability company if the employer elects to be bound.

(5) The appointment or election of an employee as an officer of a corporation, a partner in a partnership, a partner in a limited liability partnership, or a member in or a manager of a limited liability company for the purpose of exempting the employee from coverage under this chapter does not entitle the officer, partner, member, or manager to exemption from coverage.

(6) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of workers' compensation

insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over the place of business or property for the purpose of carrying on the employer's usual trade, business, or occupation. The sign must be provided by the department, distributed through insurers or directly by the department, and posted by employers in accordance with rules adopted by the department. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a \$50 fine for each citation."
