## Description of fiscal impact

HB 582 revises laws related to sentencing and has no anticipated fiscal impact to the state.

#### FISCAL ANALYSIS

#### Assumptions

### Department of Justice

1. HB 582 does not apply to the Civil Services, Appellate Services, Prosecution Services, or Office of Consumer Protection. There is no fiscal impact anticipated.

#### Judiciary

2. HB 582 revises sentencing options but does not create new crimes or establish new or additional hearings. As such, there is no fiscal impact to the Judicial Branch.

#### MACO

3. This bill may decrease the time from arrest to disposition if there is no perverse incentive to delay sentencing in order to generate credit for time served in a county detention facility. If that happens, it is a benefit to the county detention center.
