11	BE IT ENACTI	ED BY THE LEGISLATURE OF THE STATE OF MONTANA:
12		
13	Section	on 1. Article VIII, section 13, of The Constitution of the State of Montana is amended to read:
14	"Secti	on 13. Investment of public funds and public retirement system and state
15	compensation	n insurance fund assets. (1) The legislature shall provide for a unified investment program for
16	public funds ar	nd public retirement system and state compensation insurance fund assets and provide rules
17	therefor, include	ling supervision of investment of surplus funds of all counties, cities, towns, and other local
18	governmental	entities. Each fund forming a part of the unified investment program shall be separately identified.
19	Except as prov	vided in subsections (3) and (4), through (5), no public funds shall-may be invested in private
20	corporate capi	tal stock. The investment program shall be audited at least annually and a report thereof
21	submitted to th	ne governor and legislature.
22	(2)	The public school fund and the permanent funds of the Montana university system and all other
23	state institution	ns of learning shall be safely and conservatively invested in:
24	(a)	Public securities of the state, its subdivisions, local government units, and districts within the
25	state, or	
26	(b)	Bonds of the United States or other securities fully guaranteed as to principal and interest by
27	the United States, or	
28	(c)	Such other safe investments bearing a fixed rate of interest as may be provided by law.

(3) Investment of public retirement system assets shall be managed in a fiduciary capacity in the
same manner that a prudent expert acting in a fiduciary capacity and familiar with the circumstances would use
in the conduct of an enterprise of a similar character with similar aims. Public retirement system assets may be
invested in private corporate capital stock.
(4) Investment of state compensation insurance fund assets shall be managed in a fiduciary
capacity in the same manner that a prudent expert acting in a fiduciary capacity and familiar with the
circumstances would use in the conduct of a private insurance organization. State compensation insurance
fund assets may be invested in private corporate capital stock. However, the stock investments shall not
exceed 25 percent of the book value of the state compensation insurance fund's total invested assets.
(5) Up to 25 percent of the funds in the coal severance tax trust fund provided for in Article IX,
section 5, may be invested in private corporate capital stock "
